DOE REVIEW  
COMPLETED

March 22, 1962

Dear Dr. Livingston:

We very much appreciate your thoughtfulness in arranging for a planned visit by former AEC Chairman John A. McCone - now Director of CIA - who had very much hoped to visit your laboratory on Wednesday, March 21st. Unfortunately, his departure was delayed for various reasons, thus precluding the planned visit.

Mr. McCone has asked me to express his appreciation for your thoughtfulness in making arrangements and to tell you he hopes to visit you on another occasion.

Chairman Seaborg has asked me to convey to you his very best wishes.

Sincerely,

Howard C. Brown, Jr.  
Executive Assistant  
to the Chairman

Dr. M. Stanley Livingston, Director  
Cambridge Electronic Accelerator
